Driving Range Monthly Membership – Terms & Conditions

1. Membership Types

Crondon Park offers two monthly Driving Range Membership options:

Academy Membership - Available to anyone wishing to use the Crondon Park Driving Range. No Crondon Park Golf Club membership is required.

Golf Club Members Membership - Available exclusively to current members of Crondon Park Golf Club.

Both membership types provide access to the Driving Range on a monthly rolling basis and are subject to the terms and conditions set out below.

2. Membership Eligibility

- 2.1. Academy Membership is available to the general public and does not require membership of Crondon Park Golf Club.
- 2.2. Golf Club Members Membership is available exclusively to current Crondon Park Golf Club members.
- 2.3. Golf Club Members who cease to be members of Crondon Park Golf Club will no longer be eligible for the Golf Club Members Membership and may be required to transfer to an available Academy Membership.
- 2.4. All memberships are personal to the named member and cannot be transferred, sold, assigned or shared with another person.

3. Membership Period

- 3.1. Both membership types operate on a monthly rolling basis, with no fixed long-term commitment.
 - 3.2. The membership period begins on the date of purchase and runs for one month, with subsequent renewals occurring on the same date each month where possible.
 - 3.3. Where a renewal date does not exist in a particular calendar month, the renewal will take place on the final day of that month.
- Examples:

- Purchase on 24 March → valid until 24 April → renews on 24 April.
- Purchase on 29 January → valid until 28 February → renews on 28 February.

- 3.4. Membership will continue to renew monthly until cancelled in accordance with these Terms & Conditions.

4. Membership Benefits

- 4.1. Both Academy Membership and Golf Club Members Membership provide:

- Access to the Crondon Park Driving Range;
- Up to 120 driving range balls per day;
- A monthly rolling membership with no long-term commitment;
- A daily ball allowance that resets each day.

- 4.2. Unused balls do not accrue, accumulate or carry over to the following day or membership period.
- 4.3. The daily allowance cannot be exchanged for cash, credit, goods, coaching or any other benefit.
- 4.4. Membership provides access to the Driving Range only and does not include access to the golf course.

5. Personal Use

- 5.1. Driving range balls provided under either membership are for the personal use of the named member only.
- 5.2. Members must not allow another person to use their membership to obtain driving range balls.
- 5.3. Balls obtained through the membership must not be transferred, shared, sold or supplied to another person.
- 5.4. Any suspected misuse or sharing of a membership may result in the suspension or cancellation of the membership.

6. Driving Range Access

- 6.1. Membership provides access to the Driving Range during its published operating hours, subject to availability and any temporary restrictions or closures.
- 6.2. The Driving Range may occasionally be unavailable or have restricted access due to maintenance, adverse weather, competitions, events or other operational requirements.
- 6.3. Crondon Park Golf Club will endeavour to provide reasonable notice of planned closures or restrictions where possible.
- 6.4. Membership does not guarantee the availability of a particular bay or hitting position.

7. Automatic Renewal and Payment

- 7.1. Both membership types are available on an automatic monthly renewal basis.
- 7.2. By purchasing a monthly membership, the member agrees to the applicable monthly membership fee being charged on each renewal date unless the membership has been cancelled before the applicable cancellation deadline.
- 7.3. If a renewal payment is unsuccessful, access to the membership may be suspended until the outstanding payment has been successfully received.
- 7.4. Crondon Park Golf Club reserves the right to amend membership prices by providing reasonable notice to members.

8. Cancellation

- 8.1. Both Academy Membership and Golf Club Members Membership require 30 days' notice to cancel.
- 8.2. Members may request cancellation at any time, but the membership will remain active for the full 30-day notice period.
- 8.3. If a scheduled renewal falls within the 30-day cancellation notice period, that renewal payment will still be taken and the membership will continue for the subsequent monthly membership period.
- 8.4. The membership will therefore end at the conclusion of the 30-day notice period, or at the end of the subsequent paid membership period where a renewal falls within the notice period.
- 8.5. For example, if a member's renewal date is 24 April and they provide notice of cancellation on 10 April, the renewal on 24 April will still be payable because it falls within the required 30-day notice period. The membership will then remain active until the end of the renewed membership period.
- 8.6. Cancelling a membership does not provide a refund for any unused portion of the current or subsequently renewed membership period.
- 8.7. Once a renewal payment has been successfully processed, the membership period is non-refundable except where required by law or at the discretion of Crondon Park Golf Club.
- 8.8. Members are responsible for providing sufficient notice to ensure that their desired cancellation date falls outside the 30-day notice period.

9. Golf Club Membership Status

- 9.1. The Golf Club Members Membership is conditional upon the member maintaining a valid Crondon Park Golf Club membership.
- 9.2. If a Golf Club Members Membership holder ceases to be a Crondon Park Golf Club member, their eligibility for the Golf Club Members Membership will end.
- 9.3. Where applicable, the member may continue their Driving Range Membership by transferring to the Academy Membership at the prevailing Academy Membership price.
- 9.4. Crondon Park Golf Club reserves the right to cancel or amend a Golf Club Members Membership where the member no longer meets the eligibility requirements.

10. Suspension or Cancellation by Crondon Park Golf Club

Crondon Park Golf Club reserves the right to suspend or cancel a membership where a member:

- Allows another person to use their membership;
- Shares, transfers or sells driving range balls obtained through the membership;
- Attempts to circumvent the daily 120-ball limit;
- Has outstanding membership payments;
- Misuses the Driving Range or its equipment;
- Breaches these Terms & Conditions; or
- Acts in a manner that may adversely affect the safety, operation or enjoyment of the facility for others.

Where a membership is cancelled due to a breach of these Terms & Conditions, any refund will be at the discretion of Crondon Park Golf Club.

11. Changes to Membership

- 11.1. Crondon Park Golf Club reserves the right to amend the operation, benefits, pricing or availability of either Driving Range Membership.
- 11.2. Where a material change is made to the membership or its pricing, members will be given reasonable notice where applicable.

12. General

- 12.1. Membership is subject to the general rules and regulations of Crondon Park Golf Club and any reasonable instructions issued by the Club in relation to the use of the Driving Range.
- 12.2. Members must comply with all safety instructions and use the Driving Range and associated equipment responsibly.
- 12.3. Crondon Park Golf Club reserves the right to refuse access to any person where necessary for safety, operational or disciplinary reasons.
- 12.4. By purchasing or continuing to use a Driving Range Membership, the member confirms that they have read, understood and accepted these Terms & Conditions.
